Dear Doctor Martin:

I am pleased to inform you that at the American Medical Association (AMA) Board of Trustees June 2010 meeting, you were appointed to the AMA CPT Advisory Committee to represent the American Academy of Disability Evaluating Physicians as their primary Advisor. Your term is effective immediately and will expire June 2013 at the same time as all other CPT Advisors.

To assist in understanding your role on the CPT Advisory Committee, you should plan to attend the new Advisor orientation session held at the Annual AMA CPT/HCPAC/RUC Advisory Committee meeting, on October 15, 2010, in Los Angeles, CA. You will receive under separate cover additional information regarding the CPT Editorial Panel meeting, scheduled for October 14-16, 2010.

To encourage communication and coordination with nominating specialty society staff and physician leaders in your organization, a copy of this letter will be forwarded to Sandra L. Yost, MBA, Executive Director, at the American Academy of Disability Evaluating Physicians. In the interim, if you have questions or need additional information, please contact Marie L. Mindeman, Director, CPT Coding & Regulatory Affairs directly at 312-464-4421.

Sincerely,

A handwritten signature in black ink that reads "Mike Maves". The signature is written in a cursive, slightly slanted style.
