As a valued direct customer of the AMA, we are offering you the following replacement options. See the bottom of this letter for details on how you can take advantage of one of these fantastic offers, all of which **expire Sept. 1, 2009**. - Option 2:** Receive **two years** of **free** access to the new online edition of the *Guides Sixth* — a value of over \$400!
- Option 3:** Purchase the reprinted book at a 25% discount off the regular price and receive **free** online access for **two years**. This means that you get the reprinted book and online access—from any computer—for only \$141. AMA members receive an additional discount and can take advantage of this offer for only \$104.

The online edition—which presents a new, exciting opportunity for *Guides* customers—gives you access to the *Guides Sixth* from any computer! Select and view text by chapter or search the entire book by keyword or phrase. Searched terms are highlighted within the text, and results are also listed for quick access to the appropriate page. A unique user name and password allow you to log in instantly and because it is platform independent, it can be accessed from any computer, making it a truly portable solution!

If you choose Option 1 or Option 2, please e-mail Guides6@ama-assn.org with your customer number and the quantity of books you originally purchased that can be found on the order form below, and indicate whether you choose Option 1 or Option 2.
