The American Academy of Disability Evaluating Physicians is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American Academy of Disability Evaluating Physicians (AADEP) designates the Scientific Session continuing medical educational activity for a maximum of (or for up to) 17 hours in *category 1 credit[™]* towards the *AMA Physician's Recognition Award*.

Each participant should claim only those hours of credit that he/she actually spent in the educational activity.

The **AADEP Eighteenth Annual Scientific Session** delves more deeply into the still developing practice of disability evaluation and the factors of disability or impairment. The physician learner will:

- Communicate the benefit of early Return to Work using the PERT model;
- Provide examples of how to modify practice patterns to obtain early return to work;
- Understand how to communicate the benefits of RTW to all of the players in the Worker's Compensation;
- Improve decision-making process for all involved.

Based on disclosures received from all faculty members, significant relationships have been reported. No products or services will be discussed. No off-label usage will be discussed in the presentations.
